

Wisdom 6A Cordless Cap Lamp (ANZEx 24.2004x)

Description

Wisdom 6A Cordless Cap Lamp (ANZEx 24.2004x) – Built for the Toughest Environments

The Wisdom 6A Cordless Cap Lamp is engineered to deliver long-lasting, ultra-bright light in demanding conditions. Whether you're deep underground, in the wilderness, or handling emergencies, this lamp is your most dependable companion.

Certified Safety & Performance

This model comes with full **ANZEx 24.2004x**, **ATEX M1**, and **IECEX certification**, ensuring it meets strict safety standards required for **mining and hazardous environments**.

High-Performance Lighting

Choose between two versatile modes to match your needs:

- **High Mode:** Up to **240 lumens**, 220m beam, 13-hour runtime
- **Low Mode:** Up to **50 lumens**, 85m beam, 60-hour runtime
- **Brightness:** Up to **11,000 lux at 1 meter**

Powered by an **advanced LED drive circuit**, it offers energy efficiency without compromising brightness.

Waterproof, Rugged, and Ready

This cap lamp is **IP68-rated waterproof**, making it suitable for:

- **Diving up to 20 meters**
- Use in **heavy rain, mud, and dusty conditions**
- **Shock-tested** – survives even an **automobile rolling impact**

Crafted with a **stainless steel and nickel adjustable bracket** for strength and versatility.

Reliable Charging & Battery Life

- Rechargeable with an **included desktop charger**
- **LED charging indicator** (Red = Charging, Green = Fully Charged)
- **Li-ion Batteries:** 2x Panasonic 3500mAh, 3.5V
- **Charge Time:** Approx. 5 hours

Ideal For

- Mining and tunneling operations
- Emergency preparedness kits
- Hunting, hiking, and outdoor adventure
- Rescue missions and night patrols
- Professionals needing ATEX-certified lighting
