

Wisdom Aurora Pro Flashlight

Description

Wisdom Aurora Pro Flashlight

Simply the best. Aurora Pro has all the necessary features you would want from a powerful flashlight.

Aurora Pro is capable of bringing the light anywhere safely for a very long time.

Fact Aurora Pro is as bright as sun light from 1 meter away. (120 000 Lux)

Power comes from 4x 18650 Li-ion batteries inside the fully cooled cold forged aluminium cover.

You also never have to worry about the batteries, because dismantling the light is not possible and charging is done with the WISDOM table charger (included).

Light is adjustable seamlessly with 237 illumination levels. You can skip to lowest or highest setting with a simple double click though.

For example in case of emergency the light beam is visible from 2000 Meters away.
