

Wisdom Aurora Pro Flashlight

Description

Wisdom Aurora Pro Flashlight – High-Powered Torch for Mining & Rescue

If you are looking for a professional-grade, ultra-bright flashlight that can withstand the toughest environments, the Wisdom Aurora Pro Flashlight is the ultimate solution. Designed for mining, search and rescue, and outdoor industrial operations, this high-performance Aurora Pro light offers unmatched power, reliability, and runtime.

Why Choose the Wisdom Aurora Pro Torch?

- **Insane Brightness:** Producing a stunning **120,000 lux** at 1 metre and a beam visible from up to **2,000 meters**, it performs like daylight in the darkest conditions.
- **Powerful LED Output:** The **Aurora Pro flashlight** delivers up to **3,192 lumens** and a total **21W LED output**, perfect for professional-grade tasks.
- **Custom Illumination Levels:** Easily switch between **237 adjustable brightness levels** or instantly jump to the lowest/highest setting with a simple double click.

Built for Performance and Safety

- Powered by **four 3,500mAh rechargeable Li-ion batteries**.

- Durable **cold forged aluminium housing** with hard anodized finish.
- **Over 4.5 hours runtime** at the highest mode, and **300+ hours** on the lowest.
- Seamless charging with [WISDOM's included desktop charger](#) - no need to open the housing or remove batteries.
