

## Wisdom 6A Cordless Cap Lamp

### Description

## Wisdom 6A Cordless Cap Lamp with Desktop Charger – Rugged, Certified, and Built to Perform

The Wisdom 6A Cap Lamp is an advanced, high-performance cordless mining light designed to meet the strict demands of underground work, outdoor survival, and emergency preparedness. Featuring ATEX M1 and IECEx certifications, this explosion-proof [mining cap lamp](#) delivers outstanding performance in the toughest environments.

With a super bright 240-lumen LED and up to 11000 lux at 1 meter, this caplamp provides clear, powerful illumination even in complete darkness. The rugged design is IP68 waterproof and dive-rated up to 20 meters, making it perfect for wet conditions, mining tunnels, and industrial zones. It's one of the most durable cordless mining cap lamps in Australia, proven to withstand the impact of automobile rollover testing.

No matter you're a miner, outdoor adventurer, or industrial worker, the Wisdom 6A lamp is a trusted companion. It offers dual lighting modes, high and low, with up to 13 hours of runtime on high and 60 hours on low. Charging is fast and reliable with the included [desktop charger](#), completing a full charge in just 5 hours.

This versatile wisdom cap lamp is widely used in Perth, Western Australia, and beyond for its reliability and safety compliance. Its adjustable stainless steel/nickel bracket, polycarbonate lens, and solid-state LED circuit design make it ideal for rugged field use.
