

## Wisdom Elastic Head Strap

### Description

#### Wisdom Elastic Head Strap | Waterproof, Reflective & Adjustable

The Wisdom Elastic Head Strap is designed to offer a reliable, hands-free lighting experience for mining, industrial, outdoor, and emergency use. Made from premium diving material, it provides flexibility and comfort while ensuring your cap lamp or headlamp stays securely in place.

The strap features a reflective silver gray strip for enhanced visibility in dark environments, along with adjustable length buckles for a perfect fit. Whether you're using the Wisdom 3A, 4A, or 6A cordless cap lamps, this strap is fully compatible and easy to attach with the built-in headlamp buckle.
