

## Wisdom 4A Cordless Cap Lamp

### Description

## Wisdom 4A Cordless Cap Lamp – Powerful, Rugged & USB-Rechargeable

The Wisdom 4A Cordless Cap Lamp delivers powerful brightness, a rugged build, and smart charging features, making it the ideal choice for mining professionals, underground operations, and outdoor explorers.

This model features three light modes (High, Medium, Low) with up to 533 lumens and a beam distance up to 316m, ensuring visibility in the darkest environments. It's built with IP68-rated waterproof protection, a stainless steel/[nickel adjustable bracket](#), and a USB charging port, making it as reliable as it is versatile.

Charge your phone or small electronics on the go using the integrated power bank function, an excellent feature for remote job sites or emergency kits.
